MUSICOPHILIA IN BOMBAY/MUMBAI

Musicophilia became an important facet of the metro-politan scene, and although it was perhaps not Hindustani music alone that shaped this musicophilia, it formed a hugely significant part of it MUSICOPHILIA AND MODERNITY I argue that Hindustani art music in its many forms provides the affective basis of the shared mo-

Does music have evolutionary origins

Musicophilia is impressive, as is the way Sacks relates the case studies and the complex neurological concepts in his characteristically lucid and engaging style Music—uniquely and universally human Throughout Musicophilia, Sacks repeatedly (and correctly) identifies music, like language, as an ability that has developed uniquely (and
